

Breast Screening Saves Lives

Wirral and Chester
Breast Screening
Programme

You'll automatically get your first invite for breast screening between the ages of 50 and 53. Then you'll be invited every 3 years until you turn 71.

If you're a trans man, trans woman or are non-binary you may be invited automatically, or you may need to talk to your GP surgery or call the local breast screening service to ask for an appointment.

You need to be registered with a GP surgery to be invited for breast screening.
